Confidential Message to Addressee(s):

Ms. Hsia,

Thank you for the information concerning the dates of the purported calls. We have spoken with our client and are still investigating this information, however, we have not thus far been able to substantiate the information you provided. As it turns out, a third party service was monitoring all our client's incoming calls for the dates you have indicated, and if you could provide us with the telephone numbers from which the calls were made we should then be able to better assess your client's allegations.

Thanks again for your assistance.
